FIRST AMENDMENT TO DECLARATION OF CONDOMINIUM AND  
DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS  
ESTABLISHING AND GOVERNING 7400 GAINNEY CLUB DRIVE CONDOMINIUM

THIS FIRST AMENDMENT TO DECLARATION OF CONDOMINIUM AND  
DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS ESTABLISHING  
AND GOVERNING 7400 GAINNEY CLUB DRIVE CONDOMINIUM (the "Amendment") is  
made this 10 day of April, 1995.

RECITALS

A. The 7400 Gainey Club Drive Condominium was created pursuant to that certain Declaration of Condominium and Declaration of Covenants, Conditions and Restrictions Establishing and Governing 7400 Gainey Club Drive Condominium dated March 3, 1992 and recorded March 20, 1992 as Instrument No. 92-0146486, records of Maricopa County, Arizona, as supplemented by First Supplemental Declaration of Annexation to Declaration of Condominium for 7400 Gainey Club Drive Condominium dated August 12, 1992 and recorded September 11, 1992 as Instrument No. 92-0507345, records of Maricopa County, Arizona and by Second Supplemental Declaration of Annexation to Declaration of Condominium for 7400 Gainey Club Drive Condominium dated February 5, 1993 and recorded March 5, 1993, as Instrument No. 93-0133336, records of Maricopa County, Arizona (collectively, the "Declaration").

B. Pursuant to Article 18.04 of the Declaration, the Declaration may only be amended by vote of Owners of Units to which at least sixty-seven percent (67%) of the votes in the Association are allocated. The 7400 Gainey Club Drive Condominium Association (the "Association") has obtained the requisite number of votes of Owners of Units to effect this Amendment and by their signatures on behalf of the Association, the undersigned President and Secretary of the Association hereby certify that this Amendment has been so approved.

C. The consent of Markland Homes Inc., an Arizona corporation which is the Declarant under the Declaration, to this Amendment is not required, since this Amendment is taking place subsequent to the "Turnover Date" as said term is defined in the Declaration.

D. Pursuant to Article 13.04 and Article 18.07 of the Declaration, amendments to the insurance provisions of the Declaration require the affirmative written assent of seventy-five percent (75%) of all Lenders which have notified the Association that they desire to receive written notice of certain proposed actions of the Association. No Lenders have provided such notice to the Association, therefore, assent to this Amendment by Lenders is not required.

E. The Owners deem it desirable to amend the Declaration to revise certain provisions regarding insurance to be maintained by the Association, as hereinafter set forth.

NOW THEREFORE, the Declaration shall be amended as follows:

1. Capitalized terms used in this Amendment shall have the same meaning set forth for such terms in the Declaration.

2. The following sentence shall be added to Section 10.01 of the Declaration:

"If any insurance required by this Article is not available on a Standard Insurance Services Offices policy, then it shall be deemed to be not reasonably available."

3. Section 10.03 of the Declaration will be deleted in its entirety and the following is substituted therefor:

Section 10.03 Comprehensive Public Liability Insurance. To the extent reasonably available, the Association shall obtain comprehensive general liability insurance insuring the Association, the Declarant, the agents and employees of the Association only while acting in their representative capacities, and the Owner, against liability incident to the use, ownership, or maintenance of the Common Elements or membership in the Association. The limits of such insurance shall not be less than \$1,000,000.00 covering all claims for death of or injury to any one person and/or property damage in any single occurrence. Such insurance shall contain a severability of interest endorsement. Such insurance shall also include protection against water damage liability and liability for non-owned and hired automobiles. The Board shall adjust the amount of the insurance carried under this Section from time to time.

4. Sections 10.07(c), (d), (e) and (f) of the Declaration will be deleted in their entirety and the following are substituted therefor:

(c) Coverage must not be limited by (i) any act or neglect by Owners which is not within control of the Association; or (ii) any failure of the Association to comply with any warranty or condition regarding any portion of the Condominium over which the Association has no control.

(d) Coverage may not be cancelled or substantially modified (including cancellation for non-payment of premiums) without at least ten (10) days prior written notice to the Association, all Lenders, and any Owner to whom a certificate has been issued.

(e) All policies must contain a waiver of subrogation by the insurer as to any and all claims against the Association, Owners and the members of an Owner's household, and a waiver of any defenses based on co-insurance or on invalidity arising from acts or omissions of an Owner.

5. Except as amended hereby, all of the terms, conditions and provisions of the Declaration shall continue in full force and effect.

DATED as first written above.

DECLARATION OF CONDOMINIUM FOR  
7400 GAINNEY CLUB DRIVE CONDOMINIUM

THIS FIRST SUPPLEMENTAL DECLARATION OF ANNEXATION TO  
DECLARATION OF CONDOMINIUM FOR 7400 GAINNEY CLUB DRIVE  
CONDOMINIUM (the "First Declaration of Annexation") is made as  
of the date hereinafter set forth by Markland Homes Inc., an  
Arizona corporation (the "Declarant").

W I T N E S S E T H:

WHEREAS, the "Declaration of Condominium and  
Declaration of Covenants, Conditions, and Restrictions  
Establishing and Governing 7400 Gainey Club Drive Condominium,"  
dated March 3, 1992, was recorded March 20, 1992, as Instrument  
No. 92-0146486, records of Maricopa County, Arizona (the  
"Condominium Declaration");

WHEREAS, pursuant to Article XV of the Condominium  
Declaration, Declarant has the right to annex all or any  
portion of the Additional Property to the Property and  
Declarant now desires to add a portion of the Additional  
Property to the Property in order to develop twenty-four (24)  
additional Units as Declarant's second phase of 7400 Gainey  
Club Drive Condominium.

NOW, THEREFORE, pursuant to Article XV of the  
Condominium Declaration, Declarant, as the owner of the  
Additional Property, for the purpose of annexing a portion of  
the same to 7400 Gainey Club Drive Condominium in connection  
with Declarant's second phase thereof and to amend and  
supplement the Condominium Declaration, hereby states as  
follows:

1. Definitions. All capitalized terms set forth in  
this First Declaration of Annexation shall, except as hereby  
amended, have the meanings set forth in the Condominium  
Declaration.

2. Annexation of Annexation Land. Declarant hereby amends the Condominium Declaration in order to, and does hereby, annex that portion of the Additional Property identified as Parcels 5, 6, and 7 (the "Annexation Land"), legally described on the First Supplemental Condominium Plat for 7400 Gainey Club Drive Condominium, recorded on \_\_\_\_\_, 1992, in Book \_\_\_\_\_ of Maps, page \_\_\_\_\_, records of Maricopa County, Arizona, attached hereto as Exhibit "A" (the "First Supplemental Plat"), into the Property and hereby submits such Annexation Land to the Condominium Declaration, subject to the provisions of this First Declaration of Annexation. The Units, Limited Common Elements, and Common Elements contained within the Annexation Land are set forth on the First Supplemental Plat. All of the Annexation Land shall be held, sold and conveyed subject to the Condominium Declaration and subject to the functions, powers, and jurisdiction of 7400 Gainey Club Drive Condominium Association.

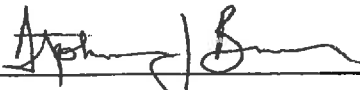

3. Interest in Common Elements. Upon recordation of this First Declaration of Annexation, each Unit in the Condominium shall have an undivided interest in the Common Elements equal to 1/51.

4. Contraction of Condominium. As provided in Article XVI of the Condominium Declaration, portions of the Withdrawable Parcels, including the Annexation Land, annexed to the Condominium may be withdrawn from the Condominium upon recordation of a Declaration of Withdrawal as described in said Article XVI. With respect to the Annexation Land hereby annexed to the Condominium, without the approval of the Owners of the Units, the Association, the Mortgagees, or the Board, Declarant shall have the right, in one or more instances, to de-annex and withdraw all or part of the Annexation Land, by recording a Supplemental Declaration of Withdrawal, in which event such portion of the Withdrawable Parcels legally described in such Supplemental Declaration of Withdrawal, together with any improvements and fixtures located thereon, may be withdrawn and removed from the Property constituting 7400 Gainey Club Drive Condominium; provided, however, that a Withdrawable Parcel shall not be withdrawn from the Condominium after a Unit in that Withdrawable Parcel has been conveyed to a purchaser without the written consent of all Owners of Units and the Mortgagees; and provided further Declarant must, as part of the withdrawal of any Unit, withdraw all Units within the building that was to contain the withdrawn Unit and Declarant may not withdraw any Unit upon which construction has been commenced.

Subject to the preceding sentence, each Unit shall consist of the space enclosed and bounded by the horizontal and vertical planes as shown on the Plat, and all interior partitions and other fixtures and improvements within such boundaries shall be part of the Unit. Conveyance of a Unit includes the use of the Limited Common Elements appurtenant to said Unit.

3.02. Description of Limited Common Elements for Parking. All Development Rights shall be exercised in accordance with the Act by preparing, executing, and recording an amendment to the Declaration called a Supplemental Declaration, if required, and an amendment to the Plat which will be called a Supplemental Plat. plumbing fixtures, stoves, refrigerators, hot water heaters, air conditioning units (including compressors, condensers and forced air units), intercoms, security systems, and such other appliances, fixtures, and decorations as an Owner may install; (e) the maintenance of the Unit and all exclusive Limited Common Elements, such as patios and balconies (including all materials above or upon the support structure, and railings and posts), and chimney flues, that are within his exclusive (or joint, if the Limited Common Elements serve more than one Unit) control in a clean and sanitary condition, free of pests and rodents, and in good order and repair, except that the sweeping and maintenance of any parking spaces (excluding garage interiors) and driveways, and maintenance of garage doors that are designated as Limited Common Elements hereunder, shall be the responsibility of the Association. An Owner may make non-structural alterations within his Unit, but an Owner shall not make any structural or exterior alterations of the Common Elements without the prior written approval of the Board and the architectural committee of the Master Association.

4.02. Maintenance of Common Elements. The Association, or its duly delegated representative, shall:

- (b) Replace injured and diseased trees or other vegetation in any Common Elements, and plant trees, shrubs and ground cover to the extent that the Board and the architectural committee of the Master Association deems necessary for the conservation of water and soil or for aesthetic purposes;

- (c) Place and maintain upon any Common Elements, such signs, markers and lights as the Board may deem appropriate for the proper identification, use and regulation thereof, subject to the approval of the Board and the architectural committee of the Master Association;
- (d) Pay all electrical, water, gas and other utility charges or fees for services furnished to the Common Elements as the same become due and payable except that the electrical charges for exterior lighting of each Unit and the walkways and landscape areas adjacent thereto shall be paid by each respective Unit Owner; and
- (e) Do all such other and further acts which the Board deems necessary to preserve and protect the Common Elements and the beauty thereof, in accordance with the general purposes specified in this Declaration.

Subject to the standards established by the Master Declaration, the Board shall be the sole judge as to the appropriate maintenance of the Common Elements. If the need for maintenance or repair is caused through the willful or negligent act of an Owner, his family, guests, licensees, lessees or invitees, the cost of such maintenance or repair shall be paid by such Owner, upon demand, to the Association, and the Association may enforce collection of such amounts as provided hereinbelow for the collection of Assessments.

4.03. Maintenance Required by Tract Declaration.

The Association shall maintain, as required by the Tract Declaration (including any amendments or supplements thereto): (a) the common area roadway providing access to the Condominium and dedicated for private use of owners of the Condominium and owners of the Additional Parcel; (b) the landscaping and perimeter wall on the Common Elements of the Parcel and the Additional Parcel as required by the Tract Declaration (including any amendments or supplements thereto); and (c) any other areas which the Tract Declaration (including amendments or supplements thereto) obligates the Association to maintain. 4.04. Maintenance by the Master Association. To the extent contemplated or authorized by the Master Declaration or the Tract Declaration, the Master Association shall be, and hereby is, authorized to perform the duties and responsibilities set forth above. The Master Association shall receive cost reimbursements and compensation for acting in such capacity in accordance with the Master Declaration or the Tract Declaration, as applicable. Charges for the services provided hereunder shall be Common Expenses and shall be allocable to the Owners as part of the Assessments.

4.05. Owner Default in Maintenance. If an Owner fails to so maintain his Unit or make repairs thereto in such a manner as may be deemed reasonably necessary in the judgment of the Board to preserve and protect the attractive appearance and value of the Condominium, or if an Owner shall fail to observe any covenant or restriction imposed on such Owner by the terms of the Declaration, then the Board or its authorized representative shall give written notice to such Owner stating with particularity the nature of the default and the corrective action which the Board determines to be required and requesting that the same be carried out within a period of fourteen (14) days after the giving of such written notice. If such Owner fails to carry out such action within the period specified by the notice, the Board may cause such action to be taken and may levy a special assessment for the cost thereof on such Owner, such special assessment to be due and payable within thirty (30) days after the Board gives written

notice thereof and to be secured by the Assessment lien created in Section 6.01 of this Declaration.

4.06. Utilities. All utilities for individual Units (except those utility costs which are metered collectively and paid by the Association as a Common Expense item) will be metered separately to each Unit and such utility charges shall be the responsibility of the respective Owners. The Owner of each respective Unit shall also be responsible to pay the electric utility charges for all exterior lighting of each Unit and lighting of walkways and landscaping areas adjacent to the Unit.

4.07. Cable Television. The Master Association has entered into an agreement with a cable television provider, wherein the provider has agreed to furnish cable television service to all of the improved Lots (as defined in the Master Declaration) within Gainey Ranch at a specified charge per Lot, and to bill the Master Association for all the improved Lots within Gainey Ranch. At such time as the Association is organized, it shall enter into a cable television agreement in a form furnished by the Master Association and on file in the Master Association offices, wherein the Association shall agree to pay any monthly and other charges incurred by the Master Association for all cable television services attributable to Units within the Condominium. Each Owner of a Unit within the Condominium shall pay the per Lot charge, together with all other charges levied against the Master Association which are attributable to the Owner's Unit. If an Owner incurs charges for cable television services not covered in the agreement between the Master Association and

the cable television provider, the Owner shall pay the provider directly for such charges. The Master Association and the Association shall have no liability for the operation or maintenance of the cable television system and no Owner shall have the right to withhold payment or offset any credits allegedly due to any such Owner because of actions or inactions of the cable television provider. An Owner shall only be entitled to reductions in charges as the result of interruption or discontinuation of cable television service if the Master Association receives a reduction therefor from the cable television provider.

4.08. Security System. Each Unit, each Owner, and the Association shall become a part of the Master Security System operated by the Master Association. Each Owner shall abide by the provisions of the Master Declaration regarding the Master Security System, and easements are hereby reserved for entry of security personnel, installation and maintenance of security systems, and any other items which may be necessary or desirable to operate the Master Security System in an efficient manner as contemplated by the Master Declaration. All present and future Owners, residents, and lessees of any portion of the Property hereby acknowledge and agree that they have no right to use the Golf Course or to automatic membership in the golf club which operates the Golf Course by virtue of the purchase or lease of a Unit. Such individuals further acknowledge and

agree that there are certain risks inherent in the ownership and occupancy of property adjacent to a golf course, including, without limitation, the possibility of golf balls entering property adjacent to the Golf Course, and causing damage to property and injury to persons, and all such Owners, residents, and lessees expressly agree to assume such risk. Such persons further agree that no claim or cause of action for any harm, damage, or injury to person or property of any kind caused or occasioned by golf balls or any other hazards associated with the design, operation, maintenance, and use of the Golf Course shall be maintained against Declarant, the Association, the Master Association, the Architectural Committee, or any other committee of the Association or the Master Association, or any of the members, directors, officers, partners, employees, or agents of any of the foregoing, and all such entities and individuals are hereby released from any and all such claims or causes of action.

Declarant, as the Class B Member, shall have the right to control the Association to the extent of having the exclusive right (either directly or through a person designated by the Declarant) to elect, appoint and remove the members of the Board and the officers of the Association until the Turnover Date (as hereinafter defined). The special control rights of the Declarant, as

the Class B Member, shall cease and terminate upon the earlier of the following (the "Turnover Date"):

- (a) The date ninety (90) days after the conveyance by Declarant of seventy-five percent (75%) of the Units which may be created at any time or from time to time by this Declaration (including any Units which may be added under Article XV below) to Owners (other than Declarant or an affiliate of Declarant);
- (b) The date four (4) years after Declarant (or any successor) has ceased to offer Units for sale in the ordinary course of business;
- (c) The date which is the seventh (7th) anniversary of the first conveyance of a Unit by Declarant to an Owner other than Declarant; or
- (d) The date required by the Master Declaration.

Upon the Turnover Date, Declarant shall retain the voting rights of a Class A Member even though the special voting and control rights of the Class B Member have ceased and terminated. Declarant may voluntarily surrender the right to elect, appoint and remove the members of the Board and the officers prior to the Turnover Date, but, in that event, Declarant may require that specified actions of the Association or the Board taken prior to the Turnover Date, as described in a recorded instrument executed by Declarant, be approved by Declarant before they become effective.

5.04. Board of Directors. The governing body of the Association shall be the Board of Directors elected pursuant to the Bylaws. Cumulative voting shall apply for the purpose of electing members of the Board. The Board shall consist of not less than three (3) members and not more than five (5) members. Except as otherwise provided in this Declaration, the Bylaws, or Association Rules, the Board may act in all instances on behalf of the Association. The Board shall act to adopt the Bylaws as required by the Act at the time the Association is organized, and the Board may, as it deems appropriate, adopt, amend, and repeal Association Rules.

5.05. Qualification of Directors. Except for Board members elected or appointed by Declarant, each Director shall be an Owner or the spouse of an Owner (or if an Owner is a corporation, partnership, or trust, a Director may be an officer, partner, trustee or beneficiary of such Owner). If a Director shall cease to meet such qualifications during his term, he will thereupon cease to be a Director and his place on the Board shall be deemed vacant.

5.06. Appointee to Council of Presidents. The President of the Association shall be the Association's appointee to the Council of Presidents, as created by the Master Declaration. The President of the Association shall give due consideration to the wishes and requests of the Board and Owners when representing the Association before the Council of Presidents.

5.07. Management of the Association. In accordance with ARTICLE XIII, Section 4 of the Master Declaration, the Master Association shall provide administrative and management services to the Association, act as accountant for the Association, handle the collection of assessments levied by the Association and enforce such collection, assist in the preparation of budgets, administer use of the Common Elements, negotiate contracts for services, and enforce this Declaration. As provided in ARTICLE XIII, Section 1 of the Master Declaration, the Master Association shall have the right to take temporary control of the Association in the event (i) the Association is failing to levy and collect assessments in an amount sufficient to pay its obligations to the Master Association, (ii) the Association is failing, in the opinion of the Board of Directors of the Master Association, to perform its functions and duties in a manner consistent with the standards established by other Satellite Associations (as such term is defined in the

Master Declaration) in Gainey Ranch or necessary for the maintenance of the high quality of residential development envisioned for the residential areas of Gainey Ranch, or (iii) there are not sufficient members of the Board to make a quorum necessary to conduct the affairs of the Association.

5.08. Action by Owners. The Board may not act on behalf of the Association to amend or terminate this Declaration, to elect members of the Board, except in filling vacancies in its membership for the unexpired portion of any term, or to determine the qualifications, powers and duties or terms of the members of the Board of Directors.

5.09. Annual Meeting. The Association shall hold an annual meeting as provided in the Bylaws.

5.10. Right of Association to Enter Units. The Association acting through the Board or its duly authorized agent shall have the right at all times upon reasonable notice (and at any time in case of an emergency) to enter upon or in any Unit to abate any infractions, to make repairs, or correct any violation of any of the Restrictions herein set forth, and in connection therewith shall have the further right to assess all costs incurred against the Owner, such assessment to be secured by the lien provided in Section 6.01.

5.11. Association Rules. The Board may adopt and administer Association Rules in furtherance of the Bylaws for the regulation and operation of the Condominium.

5.12. Reserve Fund. The Association shall maintain an adequate reserve fund for maintenance, repair and replacement of those Common Elements that must be replaced on a periodic basis, and such reserve shall be funded as part of monthly Assessments. To the extent the Board deems necessary, surplus monies of the Association

may be retained as additional reserves rather than being paid to Unit Owners or being credited to future Assessments.

5.13. Availability of Condominium Documents. The Association will maintain current copies of this Declaration, the Articles, Bylaws, and Association Rules concerning the Condominium and the Association's own books, records, and financial statements available for inspection, upon request, during normal business hours by an Owner or Lender (or any insurer or guarantor of a Lender).

5.14. Managing Agent. The Board may contract with a professional management agent to assist the Board in the management and operation of the Condominium and may delegate such of its powers and duties to the management agent as it deems appropriate; provided, however, that only the Board shall have the right to approve Association budgets, to impose a special Assessment and to authorize foreclosure of an Assessment lien. However, any such management agent may not replace the administrative and management services provided by the Master Association pursuant to the Master Declaration.

## ARTICLE VI

### COVENANT FOR ASSESSMENTS

6.01. Creation of Lien and Personal Obligation for Assessments. Each Owner, including Declarant to the extent Declarant is an Owner as defined herein, of any Unit, by acceptance of a deed or other instrument creating in such Owner the interest required to be deemed an Owner, whether or not it shall be so expressed in any such deed or other instrument, is deemed to covenant and agree to pay to the Association, such Assessments to be fixed, established and collected from time to time as provided in this Declaration. The Assessments, together with interest thereon, collection charges, attorneys' fees, court costs and other costs of collection as hereinafter provided,

shall be secured by a continuing lien upon the Unit against which each such Assessment is made in favor of the Association. Each such Assessment, together with such interest, collection charges, costs and attorneys' fees, shall also be the personal obligation of the Owner of such Unit at the time the Assessment becomes due. The personal obligation shall not pass to the successor in title of an Owner unless expressly assumed by such successor. All Assessments shall be in addition to any amounts paid by Owners to the Master Association pursuant to the Master Declaration.

6.02. Purpose of Assessments. The Assessments levied by the Association shall be used exclusively for the purposes of promoting the health, safety and welfare of the Owners, the management, maintenance, care, preservation, and protection of the Condominium, enhancing the quality of life in the Condominium and the value of the Condominium including, without limitation, the improvement and maintenance of the services and facilities devoted to this purpose and related to the use and enjoyment of the Common Elements, or in furtherance of any other duty or power of the Association.

6.03. Regular Assessments. The Board is expressly authorized to adopt and amend budgets from time to time. Not later than thirty (30) days prior to the beginning of each fiscal year, the Board shall adopt a pro forma operating statement or budget for the upcoming fiscal year which shall, among other things, estimate the total Common Expenses to be incurred for such fiscal year. The Board may, but is not required to, send a written summary of the budget to all Owners within thirty (30) days after the adoption of the proposed budget. The Board shall at that time determine the amount of the regular Assessment to be paid by each Owner. Each Owner shall thereafter pay to the Association his regular Assessment in equal monthly

installments on the first day of each month. In the event the Board shall determine that the estimate of total charges for the current year is, or will become, inadequate to meet all Common Expenses for any reason, it shall then immediately determine the approximate amount of such inadequacy and issue a supplemental estimate of the Common Expenses and determine the revised amount of the regular Assessment against each Owner, and the date or dates when due. The Owners shall have no right to ratify any budget, or amendment thereof, adopted by the Board.

6.04. Capital Improvement Assessments. In addition to regular Assessments, the Board may levy in any fiscal year a capital improvement Assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction or replacement (other than due to destruction) of a described capital improvement upon the Common Elements, including the necessary fixtures and personal property related thereto. The Board shall not impose a capital improvement Assessment exceeding ten percent (10%) of the then estimated annual Common Expenses without the approval of Owners holding a majority of the Allocated Interests in the votes of the Association. All amounts collected as capital improvement Assessments may only be used for capital improvements and shall be deposited by the Board in a separate bank account or the Association's account for reserve funds, to be held in trust for such purposes and said funds shall not be commingled with any other funds (other than reserve funds) of the Association.

6.05. Uniform Assessments. Except as otherwise provided herein, all Assessments (other than special Assessments) shall be fixed at an equal amount for each Unit.

6.06. Rules Regarding Billing and Collection Procedures. The Board shall have the right to adopt rules

and regulations setting forth procedures for the purpose of making the Assessments provided herein and for the billing and collection of regular and special Assessments, provided that said procedures are not inconsistent with the provisions hereof. The failure of the Association to send a bill to an Owner shall not relieve any Owner of his liability for any Assessment or charge under this Declaration, but the Assessment lien therefor shall not be foreclosed or otherwise enforced until the Owner has been given not less than thirty (30) days' written notice prior to such foreclosure or enforcement, at the address of the Owner on the records of the Association, that the Assessment or any installment thereof is or will be due and of the amount owing. Such notice may be given at any time prior to or after delinquency of such payment.

6.07. Certificate of Payment. The Association shall, within twenty (20) business days after written demand, furnish to any Owner liable for Assessments a recordable written statement or certificate signed by an officer or authorized agent of the Association setting forth whether the Assessments relating to a specified Unit have been paid and the amount of delinquency, if any. To the extent permitted by law, a reasonable charge may be collected by the Board for the issuance of each such certificate. Each certificate shall be conclusive evidence of payment of any Assessment therein stated to have been paid.

6.08. Special Assessments. Special Assessments shall be levied by the Board against a Unit and its Owner to reimburse the Association for:

- (a) costs incurred in bringing an Owner and his Unit into compliance with the provisions of this Declaration, the Articles, the Bylaws, or Association Rules;
- (b) costs associated with the maintenance, repair, or replacement of a Limited Common Element assigned to such Unit;

- (c) any other charge designated as a special Assessment in this Declaration, the Articles, the Bylaws, or Association Rules; and
- (d) attorneys' fees, interest and other charges relating thereto as provided in this Declaration.

In the event the Association undertakes to provide materials or services which benefit individual Units and which can be accepted or not by individual Owners, such Owners, in accepting such materials or services, agree that the costs thereof shall be a special Assessment.

6.09. Date of Commencement of Assessments.

Regular and other Assessments as to Units within the Condominium for which construction has been substantially completed shall commence as to all such substantially completed Units on the first day of the month following the conveyance of the first Unit by Declarant to an Owner. Thereafter, regular and other Assessments shall commence as to newly completed Units on the first day of the month following the substantial completion of construction for each respective building. Until the Association makes an Assessment, the Declarant shall pay all Common Expenses of the Association. No Assessments shall be payable on Units for which construction has not been substantially completed; provided, however, that Declarant shall be obligated to pay to the Association any deficiencies in monies available to pay Common Expenses due to the Declarant not having paid an Assessment on uncompleted Units and which are necessary for the Association to be able to pay all Common Expenses in a timely manner.

6.10. Application of Excess Assessments.

In the event the amount budgeted to meet Common Expenses for a particular fiscal year proves to be excessive in light of the actual Common Expenses, the Board in its discretion may apply the excess to reserves, credit the excess against future Assessments, or pay the excess to the Owners in proportion to the Allocated Interests of each Unit in the

Common Expenses of the Condominium, as the Board deems appropriate. The decision of the Board shall be binding and conclusive. In addition, the Association shall not be obligated to reduce the amount of Assessments in succeeding years if an excess exists for a prior year.

6.11. No Offsets. All Assessments shall be payable in the amount specified by the Assessment and no offsets against such amount shall be permitted for any reason, including, without limitation, a claim that the Association is not properly exercising its duties and powers as provided in this Declaration.

6.12. Homestead Waiver. Each Owner, to the extent permitted by law, does hereby waive, to the extent of any liens created pursuant to this Declaration, whether such liens are now in existence or are created at any time in the future, the benefit of any homestead or exemption laws of the State of Arizona now in effect, or in effect from time to time hereafter.

#### ARTICLE VII

##### EFFECT OF NON-PAYMENT OF ASSESSMENTS AND REMEDIES

7.01. Due Date and Delinquency. The first day of each month shall be the Assessment due date for that month. Any Assessment which is not paid within thirty (30) days after it becomes due shall be delinquent. Whenever an Assessment is delinquent, the Board may at its option invoke any or all of the sanctions provided for herein.

7.02. Collection Charge. If any Assessment is delinquent, the Owner shall be obligated to pay the collection charge then provided for in the Bylaws. The amount of such collection charge until paid shall constitute part of the Assessment lien as provided for in Section 6.01 of this Declaration.

7.04. Action at Law. The Association may bring an action to recover a delinquent Assessment either personally against the Owner obligated to pay same or foreclose the Assessment lien; provided, however, that the Association's choice of one remedy shall not prejudice or constitute a waiver of the Association's right to exercise the other. The costs of preparing and filing the complaint shall be assessed against the delinquent Owner and his Unit and reasonable attorneys' fees and court costs will thereafter be added to the amount in delinquency (plus interest and/or collection charges, if appropriate) in the event that a judgment is obtained by the Association. Each Owner vests in the Association or its assigns the right and power to bring actions at law and/or lien foreclosures against such Owner or Owners for the collection of delinquent Assessments.

7.05. Foreclosure Sale. Any foreclosure sale provided for in this Declaration is to be conducted in accordance with applicable provisions relating to the foreclosure of realty mortgages in the State of Arizona. The Association, upon approval by a majority of the Allocated Interests in the votes of the Association, may through its duly authorized agents have and exercise the power to bid on the Unit at the foreclosure sale and to acquire, hold, lease, mortgage and convey such Unit.

7.06. Suspension of Votes. The Board may suspend the obligated Owner's right to vote on any matter at regular or special meetings of the Association for the entire period during which an Assessment or other amount due under any of the provisions of the Declaration or the Master Declaration remains delinquent.

## ARTICLE VIII

## EASEMENTS

8.01. General Easements to Common Elements and Units. Subject to this Declaration and the Association Rules, non-exclusive reciprocal easements are hereby reserved and created for the purpose of support, ingress and egress, access, use and enjoyment in favor of each Owner, upon, across, over, under and through the Common Elements (exclusive of the Limited Common Elements), including the use of all pipes, wires, ducts, cables, conduits, and public utility lines, which easements shall be appurtenant to each Unit. The Association, acting through the Board or its authorized agent, and public utility companies providing service to the Condominium, shall have non-exclusive easements with the right of access to each Unit to make inspections, to remove violations, to maintain, repair, replace or effectuate the restoration of the Common Elements accessible from such Unit; provided, however, such rights shall be exercised in a reasonable manner and at reasonable times with prior notification, unless emergency situations demand immediate access.

8.02. Public Utilities. Easements and rights over the Condominium for the installation and maintenance of electricity lines, telephone lines, cable television, water lines, gas lines, sanitary sewer lines, drainage facilities, and such other public utilities needed to serve the Condominium are hereby reserved by Declarant, together with the right to grant and transfer the same; provided, however, such easements and rights shall not unreasonably interfere with the use of the Common Elements and the Units by the Owners or Occupants. Declarant or the Association shall have the power to grant and convey in the name of all of the Owners as their attorney-in-fact to any other person easements and rights-of-way in, on, over or under the Common Elements for the purpose of constructing, erecting,

operating or maintaining lines, cables, wires, conduits, or other devices for electricity, cable television, power, telephone, public sewers, storm water drains and pipes, water systems, sprinkling systems, water heating and gas lines or pipes, and any similar public or quasi-public improvements or facility, and each Owner in accepting the deed to a Unit expressly consents to such easements and rights-of-way and authorizes and appoints the Association and Declarant (as long as Declarant owns one or more Units in the Condominium) as attorney-in-fact of such Owner to execute any and all instruments conveying or creating such easements or rights-of-way. However, no such easement can be granted if it would permanently interfere with the use, occupancy, or enjoyment by any Owner or such Owner's Unit.

8.03. Easements for Encroachments. If any portion of the Common Elements now encroaches upon any Unit, or if any Unit now encroaches upon any other Unit or the Common Elements, or if any such encroachment shall occur hereafter as a result of the manner in which the buildings have been constructed or due to settling, shifting, alteration, replacement, repair, or restoration by Declarant or the Association, a valid easement for encroachment shall exist so long as the buildings stand.

8.04. Development Easements for Declarant. Until all Units have been sold by Declarant, there are hereby reserved to Declarant, together with the right to grant and transfer the same to others, including Declarant's sales agents, representatives and assigns, easements and rights upon, across, over, under and through the Condominium for construction, display (including the use of the Units as models), maintenance, sales and exhibit purposes (including the use of signs and other advertising devices) in connection with the erection and sale or lease of Units within the Condominium; provided, however, that no such use by Declarant or its agents shall otherwise restrict Owners

or Occupants in the reasonable use and enjoyment of their Units.

#### ARTICLE IX

##### USE RESTRICTIONS

9.01. Priority of Master Declaration and Tract Declaration. Notwithstanding anything to the contrary contained in this Declaration, no Person shall use or cause to be used any portion of the Parcel in any manner which would violate any of the terms set forth in Article IV, Section 2 and Section 3 of the Master Declaration or the Tract Declaration recorded for the Parcel in furtherance of the Master Declaration. Any Person owning, using or having an interest in the Condominium or any portion thereof shall comply with all the conditions on use of the Parcel set forth in the Master Declaration and the Tract Declaration, and the Association shall have the right, independently of or in conjunction with the Master Association, to enforce and all of the covenants of the Master Declaration and the Tract Declaration relating to the use of the Parcel or any portion thereof, all of which are specifically incorporated by reference herein as if fully restated in this Declaration. However, nothing contained herein shall be construed to prevent Declarant and its agents from engaging in all forms of construction and sales activities within the Condominium including use of Units owned by Declarant as models until all Units have been sold by Declarant. All consents required by this Declaration shall be in addition to any consents required under the Master Declaration or related documents.

9.02. Signs. No signs whatsoever (including, but not limited to commercial, political, sale or rental and similar signs) shall be erected or maintained on the Property whether in a window or otherwise, except:

- (a) such signs as may be required by legal proceedings;
- (b) one house number identification as originally placed by the Declarant with a face area of seventy-two (72) square inches or less; and
- (c) such signs, the nature, number, and location of which have been approved by the Board and the architectural committee of the Master Association in advance.

Nothing included herein shall prevent Declarant and its agents and assigns from utilizing reasonable signs, flags, markers, and sales devices in furtherance of sales activities until all Units have been sold by Declarant.

9.03. Nuisance. No noxious or offensive activity shall be carried on upon the Condominium, nor shall any activity which might be or become an annoyance or nuisance to Owners or Occupants be permitted to interfere with their rights of quiet enjoyment or increase the rate of any insurance or decrease the value of the Units. No Owner or Occupant shall engage in activity within the Condominium in violation of any law, ordinance, statute, rule or regulation of any local, county, state or federal body. Nothing included herein shall be construed to prevent Declarant and its agents from engaging in all forms of construction and sales activities until all Units have been sold by Declarant.

9.04. Temporary Structures. No structure or building of a temporary character, including a tent or shack, shall be placed upon the Condominium or used therein unless the same and its proposed use are approved by the Board. Nothing included herein shall be construed as preventing Declarant from using temporary structures or trailers for construction and/or sales purposes or engaging in all forms of construction and sales activities within the Condominium.

9.05. Parking and Use of Garages/Visitor Parking. Unless otherwise permitted by the Association, and except for "customary parking" and "temporary parking,"

as permitted by this Section 9.05, no automobiles or other vehicles of any type (including, without limitation, motorcycles, trailers, campers, vans, recreational vehicles or boats) shall be parked, stored, or located within any portion of the Condominium, including any Unit, Limited Common Elements, or Common Elements. "Customary parking" shall mean the parking of operable automobiles, motorcycles, small trucks, and vans (each of which must not be used for commercial purposes and each of which must not exceed 3/4 ton in size and/or seven (7) feet in height measured from ground level and eighteen (18) feet in length) within the parking spaces designated as an exclusive Limited Common Element for each respective Unit. The garages shall be used only for parking customary automobiles, motorcycles, small trucks, and vans as permitted above (and accessory storage) and shall not be converted for living, storage or recreational activities. Each garage door shall remain closed at all times except when being used to enter or exit. No Owner or Occupant or other visitor or invitee shall use the driveway area for parking other than temporary parking. "Temporary parking" shall mean the use of designated parking areas within the Condominium for parking of operable vehicles belonging to invitees of Owners and Occupants, including the parking of delivery trucks, service vehicles, and other commercial vehicles being used in the furnishing of goods and services to the Owners and Occupants as well as parking of vehicles belonging to or being used by Owners, Occupants and invitees during social engagements and for loading and unloading purposes. The Association may adopt Association Rules relating to the admission and temporary parking of vehicles within the Condominium and the use of the visitor parking spaces identified on the Plat, including, without limitation, the right to lease or license the visitor parking spaces in the discretion of the Association, the

right to remove or cause to be removed any vehicles that are improperly parked, restrictions on the time visitor spaces may be used, and the assessment of charges to Owners and Occupants who violate, or whose invitees violate, such rules. Any charges so assessed shall be special Assessments. Nothing included herein shall be construed to prevent Declarant from using temporary structures or trailers for construction and/or sales purposes or engaging in all forms of construction and sales activities within the Condominium.

9.06. External Fixtures. No external items such as, but not limited to, television and radio antennas, flag poles, clotheslines, wiring, insulation, air conditioning equipment, water softening equipment, fences, awnings, ornamental screens, screen doors, porch or patio or balcony enclosures, sunshades, lighting fixtures, walls, landscaping and planting, other than those provided in connection with the original construction of the Condominium, and any replacements thereof, and other than those approved by the Board and the architectural committee of the Master Association, and any replacements thereof, shall be constructed, erected or maintained on the Condominium. The foregoing notwithstanding, nothing included herein shall be construed as preventing Declarant and its agents and assigns from engaging in all forms of construction and sales activities within the Condominium.

9.07. Window Covers. Only curtains, drapes and shades may be installed as window covers. No window shall be covered by paint, foil, sheets or similar items. The Board may adopt Association Rules regulating the type, color and design of the external surface of window covers. The Board may also require use of a uniform color and fabric for draperies, under-draperies and drapery linings to the extent such are visible from outside a Unit.

9.08. External Laundering. Unless otherwise permitted by the Board, external laundering and drying of clothing and other items is prohibited.

9.09. Outside Speakers and Amplifiers. No radio, stereo, broadcast or loudspeaker units and no amplifiers of any kind shall be placed upon or outside, or be directed to the outside of, any Unit without the prior written approval of the Board and the architectural committee of the Master Association.

9.10. Repairs. No repairs of any detached machinery, equipment or fixtures, including without limitation, motor vehicles, shall be made upon the Condominium.

9.11. Unightly Items. All rubbish, debris or unsightly materials or objects of any kind shall be regularly removed from Units and shall not be allowed to accumulate therein or thereon. Refuse containers and machinery and equipment not a part of the Units, shall be prohibited upon any Unit unless obscured from view of adjoining Units and Common Elements. Trash and garbage not disposed of by equipment contained within the Units shall be placed in containers by Owners and Occupants for removal from the Condominium in accordance with Association Rules applicable thereto adopted by the Board. The Board may adopt rules applicable to the provisions of this Section and their enforcement, including the assessment of charges to Owners and Occupants who violate, or whose invitees violate, such rules. Any charges so assessed shall be special Assessments. The foregoing notwithstanding, nothing included herein shall be construed as preventing Declarant and its agents and assigns from engaging in all forms of construction and sales activities within the Condominium.

9.12. Oil and Mineral Activity. No oil drilling, oil development operations, oil refining, quarrying or

mining operations of any kind shall be permitted upon the surface of the Condominium, nor shall oil wells, tanks, tunnels, mineral excavations or shafts be installed upon the surface of the Condominium or within five hundred (500) feet below the surface of the Condominium. No derrick or other structure designed for use in boring for water, oil or natural gas shall be erected, maintained or permitted upon the Condominium.

9.13. Animals. No animals, livestock, birds, reptiles, or poultry of any kind shall be raised, bred or kept in any Unit or upon the Condominium, except that one (1) dog, two (2) domestic cats, or other household pets approved by the Board may be kept by Owners within a Unit provided such pets are not raised, bred, kept or maintained for any commercial purpose. Notwithstanding the foregoing, no animal or fowl may be kept within a Unit which, in the good faith judgment of the Board, results in an annoyance or is obnoxious to Owners or Occupants within the Condominium and the Board may exercise this judgment for specific pets even though others are permitted to remain. All animals permitted to be kept by this Section shall be kept on a leash, and all fecal matter shall be immediately cleaned up when on any portion of the Condominium except within a Unit. The Board may adopt Association Rules applicable to the provisions of this Section and to the keeping of pets within the Condominium, and their enforcement, including the assessment of charges to Owners and Occupants who violate such rules. Any charges so assessed shall be special Assessments.

9.14. Leases. Any agreement for the leasing, rental, or occupancy of a Unit (hereinafter in this Section referred to as a "lease") shall be in writing and a copy thereof shall be delivered to the Association before the term of the Lease commences. Every lease shall provide that the terms of such lease shall be subject in all

respects to the provisions of this Declaration, the Bylaws and the Association Rules, and the Master Association Rules. Said lease shall further provide that any failure by the Occupant thereunder to comply with the terms of the foregoing documents shall be a default under the lease. If any lease does not contain the foregoing provisions, such provisions shall nevertheless be deemed to be a part of the lease and binding on the Owner and Occupant by virtue of their inclusion in this Declaration. No Owner shall be permitted to lease his Unit for transient or hotel purposes, which shall be defined as rental for any period of less than thirty (30) days. No Owner may lease less than his entire Unit. Any Owner who shall lease his Unit shall be responsible for assuring compliance by the Occupant with this Declaration, the Bylaws and the Association Rules. Failure by an Owner to take legal action, including the institution of a forcible entry and detainer proceeding against his Occupant who is in violation of this Declaration, the Bylaws or the Association Rules within ten (10) days after receipt of written demand so to do from the Board, shall entitle the Association, through the Board, to take any and all such action including the institution of proceedings in forcible entry and detainer on behalf of such Owner against his Occupant. Neither the Association nor any agent retained by the Association to manage the Condominium shall be liable to the Owner or Occupant for any eviction under this Section that is made in good faith. Any expenses incurred by the Association, including attorneys' fees and costs of suit, shall be repaid to it by such Owner. Failure by such Owner to make such repayment within ten (10) days after receipt of a written demand therefor shall entitle the Board to levy a special Assessment against such Owner and his Unit for all such expenses incurred by the Association. In the event such special Assessment is not

paid within thirty (30) days of its due date, the Board may resort to all remedies of the Association for the collection thereof. Other than as stated in this Section 9.14, there is no restriction on the right of any Owner to lease or otherwise grant occupancy rights to a Unit.

9.15. Landscape Maintenance. The Declarant and the Association shall have the right to maintain all landscaping in the Common Elements and Limited Elements as specified in Article 4 hereof. The Declarant and the Association shall have the right of access to all areas of the Condominium which are necessary for such landscape maintenance.

9.16. Floor Load/No Waterbeds. There shall be no floor load in excess of the weight for which the Unit was designed, unless special arrangements are made, and an engineering determination of floor load capacity in the area of the heavy use is approved in writing by the Association. No waterbeds are permitted to be installed, maintained, or used on the second floors of any of the Units in the Condominium.

9.17. Single Family Occupancy. The use of each Unit is restricted to single family occupancy and accessory uses as permitted herein. Except for those activities conducted as part of the marketing and development program for the Condominium by Declarant, no industry, business, trade, or commercial activities (other than home professional pursuits without employees, public visits, or nonresidential storage and mail), or other use of the Unit, shall be conducted, maintained, or permitted in any part of a Unit, nor shall any Unit be used or rented for transient, hotel, or motel purposes. Single family occupancy is defined as a single housekeeping unit, operated on a nonprofit, noncommercial basis between its occupants, cooking and eating with a common kitchen and dining area, where all residents are members of a family related by

blood, adoption, or marriage, except for not more than two (2) additional persons not so related may reside in a Unit, and except occupancy of any Unit shall be limited to not more than two (2) individuals per bedroom as designated on the plans for each Unit set forth on the Plat.

9.18. No Subdivision of Units or Further Restriction. No Unit shall be split, subdivided, or separated into two or more Units, and no Owner of a Unit shall sell or lease less than all of the Unit. No subdivision plat or further covenants, conditions, or restrictions (other than Tract Declarations executed and recorded in furtherance of the Master Declaration) shall be recorded by any Owner or other Person with respect to any Unit unless the Board has first approved the plat or the proposed covenants, conditions, or restrictions, such approval to be evidenced by the Association's signature on the final recorded plat or instrument imposing the covenants, conditions, or restrictions. Any plat or covenants, conditions, or restrictions recorded in violation of this Section shall be absolutely null and void. The Board's review shall be for the purpose of assuring, in the sole and absolute discretion of the Board, that the plat or covenants, conditions, and restrictions are consistent and compatible with the overall plan of development of the Property. However, in no event shall the approval of the Board of any plat or covenant, condition, or restriction be deemed an abandonment or waiver of any provision of this Declaration or of any Tract Declaration. The provisions of this Declaration and any applicable Tract Declaration shall be and remain superior to any such plat or covenant, conditions, or restriction.

9.19. Architectural Control. No exterior changes whatsoever shall be commenced, erected, maintained, made or done without the prior written approval of the architectural committee of the Master Association and the

prior written approval of the Board or any committee established by the Board for that purpose. By way of illustration but not of limitation the following are considered exterior changes: painting, landscaping, repairs, excavation, patio covers, screens, doors, evaporative coolers, fireplaces, skylights, storage buildings, solar collectors, shade screens, awnings, window coating or tinting, decorative alterations or other work which in any way alters the exterior appearance of the Property. The Board, or committee established by the Board for that purpose, and the architectural committee of the Master Association, may designate the design, style, model and manufacturer of any exterior improvement or alteration which is acceptable to the Board. Such designations shall be for the purpose of achieving uniformity of appearance and preservation of property values. No interior structural changes whatsoever shall be commenced, erected, maintained, made or done without the prior written approval of the Board, or any committee established by the Board for that purpose and the architectural committee of the Master Association. By way of illustration but not of limitation the following are considered interior structural changes: moving, removing, adding or altering walls, doorways, and the like.

9.20. Lighting. Garage mounted exterior lighting fixtures and walkway and landscaping lights shall be required for each Unit and must be illuminated from dusk to dawn each day as determined by the Board and the architectural committee of the Master Association. Exterior lighting of Limited Common Elements shall be allowed only to the extent approved by the Board and the architectural committee of the Master Association.

9.21. Association Rules. The Association shall have the power to make and adopt reasonable Association Rules with respect to activities which may be conducted on

any part of the Condominium. The Board's determination as to whether a particular activity being conducted or to be conducted violates or will violate such Association Rules shall be conclusive unless, at a regular or special meeting of the Association, Owners representing a majority of the Allocated Interests in the votes of the Association vote to the contrary.

9.22. Variances. The Board may, at its option and in extenuating circumstances, grant variances from the Restrictions set forth in Article IX of this Declaration if the Board determines in its discretion (a) either (i) that a Restriction would create an unreasonable hardship or burden on an Owner or Occupant, or (ii) that a change of circumstances since the recordation of this Declaration has rendered such Restriction obsolete and (b) that the activity permitted under the variance will not have any substantial adverse effect on the Owners or Occupants of the Condominium and is consistent with the high quality of life intended for residents of the Condominium and Gainey Ranch and does not conflict with or contradict the Master Declaration.

##### INSURANCE

10.01. Authority to Purchase. Commencing not later than the date a Unit is conveyed to a Person other than Declarant, the Association shall have the authority to and shall obtain and maintain, to the extent reasonably available, the insurance specified in this Article; provided, however, the Association shall always comply with the insurance requirements of the Act.

10.02. Hazard Insurance. To the extent available, the Board shall obtain a master or blanket policy of property insurance on the entire Condominium including the Units and the Common Elements (excluding land

and personal property) insuring the Condominium against loss or damage by fire and other hazards covered by the standard extended coverage endorsement, and against loss or damage by sprinkler leakage, debris removal, cost of demolition, vandalism, malicious mischief, windstorm, and water damage. Such master policy of property insurance shall be in a total amount of insurance equal to the greater of (i) 80% of the actual cash value of the insured property at the time insurance is purchased and at each renewal date or (ii) 100% of the current replacement cost, exclusive of land, excavations, foundations and other items normally excluded from such property policies. Such master policy of property insurance shall contain an Agreed Amount Endorsement or its equivalent, if available, or an Inflation Guard Endorsement, together with such endorsements as the Association deems appropriate to protect the Association and the Owners.

10.03. Comprehensive Public Liability Insurance.

To the extent available, the Association shall obtain comprehensive general liability insurance insuring the Association, the Declarant, the agents and employees of the Association and the Declarant, the Owners and Occupants and the respective family members, guests and invitees of the Owners and Occupants, against liability incident to the use, ownership, or maintenance of the Common Elements or membership in the Association. The limits of such insurance shall not be less than \$1,000,000.00 covering all claims for death of or injury to any one person and/or property damage in any single occurrence. Such insurance shall contain a Severability of Interest Endorsement or equivalent coverage which would preclude the insurer from denying the claim of an Owner because of the negligent acts of the Association or another Owner or Occupant. Such insurance shall also include protection against water damage liability, liability for nonowned and hired

automobiles, and liability for the property of others. Such insurance must provide that, despite any provisions giving the carrier the right to elect to restore damage in lieu of a cash settlement, such option shall not be exercisable without the approval of the Association. The Board shall adjust the amount of the insurance carried under this Section from time to time.

*120 / 84  
Amendment*

10.04. Workmen's Compensation Insurance. The Board shall purchase and maintain in effect workmen's compensation insurance for all employees of the Association to the extent that such insurance is required by law.

10.05. Fidelity Insurance. The Board shall obtain fidelity coverage against dishonest acts on the part of directors, officers, employees or volunteers who handle or who are responsible for handling the funds of the Association. Such fidelity bonds shall name the Association as obligee and shall be written in an amount equal to one hundred fifty percent (150%) of the estimated current annual Common Expenses of the Association, including reserves, and shall contain waivers of any defense based on the exclusion of persons who serve without compensation from any definition of "employee" or similar expression.

10.06. Premiums. Premiums upon insurance policies purchased by the Board on behalf of the Association shall be paid by the Association as part of the Common Expenses.

10.07. Policy Provisions.

- (a) Any insurer that has issued an insurance policy to the Association under this Article shall also issue a certificate or memoranda of insurance to the Association and, upon request, to any Owner or Lender.
- (b) The named insured under any policy of insurance shall be the Association, as trustee for the Owners, or its authorized representative, including any trustee with which the Association may enter into any Insurance Trust Agreement, or any successor trustee, each of which shall be referred to

as the "Insurance Trustee" who shall have exclusive authority to negotiate losses under the policies. The policy shall provide that each Owner shall be an insured person under the policy with respect to liability arising out of his or her interest in the Common Elements or membership in the Association. Each Owner hereby appoints the Association, or any Insurance Trustee, as attorney-in-fact for the purpose of purchasing and maintaining insurance required by this Article, and adjustment of all losses related thereto, including: the collection and appropriate disposition of all insurance proceeds, the negotiation of all losses and execution of releases of liability, the execution of all documents and the performance of all other acts necessary to administer such insurance. The Association shall receive, hold, or otherwise properly dispose of any proceeds of insurance in trust for the Owners and their Lenders, as their interests may appear. This power-of-attorney is coupled with an interest, shall be irrevocable, and shall be binding on any heirs, personal representatives, successors or assigns of an Owner.

*See 1st Amendment (04/95)  
for revised wording*

(c) The Association's insurance shall contain the "Special Condominium Endorsement" or its equivalent. Insurance coverage obtained by the Association shall be primary insurance and may not be brought into contribution with insurance purchased by the Owners.

(d) Coverage must not be limited by (i) any act or neglect by Owners or Occupants which is not within control of the Association; or (ii) any failure of the Association to comply with any warranty or condition regarding any portion of the Condominium over which the Association has no control.

(e) Coverage may not be cancelled or substantially modified (including cancellation for nonpayment of premiums) and the insurer may not refuse to renew the policy without at least thirty (30) days prior written notice to the Association and all Lenders, and to any Owner to whom a certificate has been issued.

(f) All policies must contain a waiver of subrogation by the insurer as to any and all claims against the Association, Owners, Occupants and their respective agents and employees, and any defenses based on co-insurance or on invalidity arising from acts of the insured.

10.08. Supplemental Insurance. The Board may obtain such other policies of insurance in the name of the Association as the Board deems appropriate to protect the Association and Owners, including, without limitation, errors and omissions insurance for officers and directors

of the Association. Notwithstanding any other provisions herein, the Association shall continuously maintain in effect such casualty, flood, and liability insurance and a fidelity bond meeting the insurance and fidelity bond requirements for condominium projects established by Federal National Mortgage Association and Government National Mortgage Association, so long as either is a mortgagee or Owner of a Unit, except to the extent such coverage is not available or has been waived in writing by Federal National Mortgage Association or Government National Mortgage Association.

10.09. Annual Insurance Report. Not later than sixty (60) days prior to the beginning of each fiscal year, the Board may obtain a written report by a reputable independent insurance broker or consultant setting forth the existing insurance obtained pursuant to this Article and stating whether, in the opinion of such broker or consultant, the insurance complies with the requirements of this Article and the Act. Such report may also set forth recommendations regarding current policy provisions and for additional insurance reasonably required for the protection of the Owners and Lenders in light of the insurance then available and the prevailing practice with respect to other similar Condominium projects. The Board shall be fully protected in relying on the written report furnished pursuant to this Section provided reasonable care and prudence were exercised in selecting such independent insurance broker or consultant.

10.10. Insurance Obtained by Owners. An Owner or Occupant shall be permitted to insure his personal property against loss by fire or other casualty and may carry public liability insurance covering his individual liability for damage to persons or property occurring inside his Unit. An Owner may carry additional hazard insurance covering the improvements in his Unit so long as it is limited to the

type and nature of coverage commonly known as "tenant improvements" as well as additional liability insurance covering exposure from the ownership or use of the Common Elements. All such policies as may be carried by an Owner shall contain waivers of subrogation of claims against the Association, the Board, other Owners or Occupants, the Declarant and the agents and employees of each of the foregoing. All such policies as may be carried by an Owner shall not adversely affect or diminish any liability under any insurance obtained by the Association, and the Owner shall deposit a duplicate copy or certificate of any such other policy with the Board, except for casualty policies covering personal property and liability policies covering loss within the Unit. Except as provided in this Section 10.10, or as permitted by the Act, no Owner shall separately insure his Unit against loss by fire or other casualty covered by any insurance carried by the Association. If any Owner violates this provision, any diminution in insurance proceeds otherwise payable under policies issued to the Association that results from the existence of such other insurance will be chargeable to the Owner who acquired the other insurance and such Owner will be liable to the Association to the extent of any diminution.

#### ARTICLE XI

##### DESTRUCTION OF IMPROVEMENTS

11.01. Automatic Reconstruction. In the event of partial or total destruction of a building or buildings or any portion of the Common Elements within the Condominium, the Board shall promptly take the following action:

- (a) The Board shall ascertain the cost of reconstruction by obtaining fixed price bids from at least two (2) reputable contractors, including the obligation to obtain performance and lien payment bonds.

- (b) The Board shall determine the amount of insurance proceeds, if any, payable by contacting the appropriate representative of the insurer carrying the policy covering the Condominium.
- (c) If the Board determines: (i) that insurance proceeds will cover eighty-five percent (85%) or more of the estimated cost of reconstruction, or (ii) that available insurance proceeds together with available reserves and/or a special Assessment equal to twenty-five percent (25%) or less of the then aggregate annual regular Assessments for all Units will completely cover the estimated cost of reconstruction, then the Board shall cause notice to be sent to all Owners and to all Lenders encumbering Units within the Condominium setting forth such findings and informing said Owners and Lenders that the Board intends to commence reconstruction pursuant to this Declaration. In the event that Owners representing at least twenty percent (20%) of the Allocated Interests in the votes of the Association object in writing to such reconstruction as indicated in such notice, the Board shall call a special meeting of the Owners pursuant to Section 11.02. In the event that the foregoing requirements are satisfied and the requisite number of Owners do not object in writing to such reconstruction, the Board shall cause reconstruction to take place as promptly as practicable thereafter. In connection with such reconstruction, the Board shall levy a uniform special Assessment against each Owner at such time and in such amount as the Board shall determine is necessary to cover the costs of reconstruction in excess of insurance proceeds and available reserves.
- (d) If the Board in good faith determines that none of the bids submitted under this Section reasonably reflects the anticipated reconstruction costs, the Board shall continue to attempt to obtain an additional bid which it determines reasonably reflects such costs. Such determination shall be made by the Board as soon as possible. However, if such determination cannot be made within ninety (90) days after the date of such destruction because of the unavailability or unacceptability of an insurance estimate or reconstruction bid, or otherwise, the Board shall immediately call a meeting of the affected Owners and all Lenders pursuant to Section 11.02.
- (e) If the Board determines that any Unit has become uninhabitable by reason of its total or partial destruction, Assessments may abate against the Owner thereof until the Board determines that habitability has been restored. However, if the Board determines that such abatement would adversely and substantially affect the management, maintenance and operation of the Condominium, it may elect to disallow such abatement.

11.02. Reconstruction by Vote. If reconstruction is not to take place pursuant to Section 11.01, as soon as practicable after same has been determined the Board shall call a special meeting of the Owners by mailing a notice of such meeting to each such Owner. Such meeting shall be held not less than ten (10) days and not more than sixty (60) days after the date of such notice. Unless the Owners, by a vote at such meeting or by the written consent of not less than eighty percent (80%) of the Allocated Interests in the votes of the Association (including every Owner of a Unit or an allocated Limited Common Element which will not be rebuilt) determine not to proceed with such reconstruction, reconstruction must take place and the Board shall levy a uniform special Assessment against each Owner at such time and in such amount as the Board shall determine is necessary to cover the costs of reconstruction in excess of insurance proceeds and available reserves.

11.03. Procedure for Minor Reconstruction. If the cost of reconstruction is equal to or less than ten percent (10%) of the estimated fair market value of all of the Units in the Condominium, then the Board shall contract with a licensed contractor or contractors to rebuild or repair such damaged or destroyed portions of the Condominium in conformance with the original plans and specifications, or if the Board determines that adherence to such original plans and specifications is impracticable or is not in conformance with applicable laws, ordinances, building codes, or other governmental rules or regulations then in effect, then such repairs or rebuilding shall be of a kind and quality substantially equivalent to the original construction of such improvements.

11.04. Procedure for Major Reconstruction. If the cost of reconstruction is greater than ten percent (10%) of the estimated fair market value of all of the Units in the Condominium, all insurance proceeds, together

with such amounts from available reserves or special Assessments as are needed to complete the cost of reconstruction, shall be paid directly to a bank or savings and loan association located in Maricopa County, Arizona, whose accounts are insured by the Federal Deposit Insurance Corporation or the Federal Savings and Loan Insurance Corporation, or the successor to either agency, as designated by the Board, as trustee (hereinafter called the "Insurance Trustee") for all Owners and Lenders. Such proceeds shall be received, held and administered by the Insurance Trustee subject to the provisions of an insurance trust agreement which shall be consistent with the provisions of this Declaration and which shall be entered into between the Insurance Trustee and the Board. Disbursement of such funds shall be made only upon the signatures of two members of the Board and upon the terms and conditions provided in this Section. As soon as practicable after notification of the receipt of insurance proceeds by the Insurance Trustee, the Board shall enter into a contract with a licensed contractor or contractors for the repair or rebuilding of all of the damaged or destroyed Units and Common Elements according to the original plans and specifications of said improvements or, if the Board determines that adherence to such original plans and specifications is impracticable or not in conformity with applicable statutes, ordinances, building codes, or other governmental rules and regulations then in effect, then of a quality and kind substantially equivalent to the original construction of such improvements. The contract with such licensed contractor or contractors shall provide for payment to the contractor or contractors of a specified sum for performance and execution of the work therein described, and shall have provisions for periodic disbursement of funds by the Insurance Trustee, which shall be consistent with procedures then followed by prudent

lending institutions doing business in Maricopa County, Arizona. Such periodic disbursements of funds shall be for specific dollar amounts and shall not be paid until the contractor who is engaged by the Board shall furnish to the Board before the commencement of construction a full performance and lien payment bond written by a good and responsible corporate surety. Disbursements to the contractor shall be made subject to the prior presentation of an architect's certificate or other documentation containing such provisions as may be appropriate in the circumstances and deemed suitable by the Board. The Board may employ a licensed architect to supervise the repair and rebuilding to insure that all work, services and supplies are in conformity with the requirements of the construction contract.

11.05. Determination not to Reconstruct Without Termination. If Owners of not less than eighty percent (80%) of the Allocated Interests in the votes of the Association (including every Owner of a Unit or an allocated Limited Common Element which will not be rebuilt after a casualty) vote not to rebuild and the entire Condominium is not repaired or replaced, and the Condominium is not terminated in accordance with the Act, the insurance proceeds shall be distributed as provided by the Act and the Allocated Interests are automatically reallocated as provided by the Act. In such event the Association shall promptly prepare, execute, and record an amendment to the Declaration reflecting the reallocations.

11.06. Termination. Upon the occurrence of a casualty to the Condominium, the Condominium will be terminated, in accordance with the Act, if Owners of not less than eighty percent (80%) of the Allocated Interests in the votes of the Association agree to such termination and evidence such assent by the execution or ratification of a termination agreement in accordance with the Act.

92 146486

11.07. Negotiations with Insurer. The Association shall have full authority to negotiate in good faith with representatives of the insurer of any totally or partially destroyed building or any other portion of the Common Elements, and to make settlements with the insurer for less than full insurance coverage on the damage to such building or any other portion of the Common Elements. Any settlement made by the Association in good faith shall be binding upon all Owners and Lenders.

11.08. Repair of Units. Installation of improvements to, and repair of any damage to, the interior of a Unit shall be made by and at the individual expense of the Owner of that Unit and, in the event of a determination to reconstruct after partial or total destruction, shall be completed as promptly as practicable and in a lawful and workmanlike manner.

11.09. Priority. Nothing contained in this Article shall entitle an Owner to priority over any Lender under a lien encumbering his Unit as to any portion of insurance proceeds allocated to such Unit.

## ARTICLE XII

### EMINENT DOMAIN

12.01. Total Taking of a Unit. If a Unit is taken by eminent domain, or sold under threat thereof, or if part of a Unit is taken by eminent domain, or sold under threat thereof, leaving the Owner with a remnant which may not be practically or lawfully used for any purpose permitted by this Declaration, the award must compensate the Owner for his Unit and Allocated Interest in the Common Elements, regardless of whether any Common Elements are taken. Upon such a taking, unless the decree otherwise provides, that Unit's Allocated Interest in the Common Elements shall automatically be reallocated to the remaining Units in proportion to their respective interests

immediately before the taking. Upon such a taking, the Association shall prepare, execute, and record an amendment to the Declaration in compliance with the Act. Any remnant of a Unit remaining after part of a Unit is taken becomes a Common Element.

12.02. Partial Taking of a Unit. Except as provided in Section 12.01, if part of a Unit is taken by eminent domain, or sold under threat thereof, so that such Unit may still be practically and lawfully used under this Declaration, the award must compensate the Owner for the reduction in the value of his Unit and Allocated Interest in the Common Elements, regardless of whether any Common Elements are taken. Upon such a taking, unless the decree otherwise provides, that Unit's Allocated Interest in the Common Elements shall remain the same, but if the decree provides for a reduction of the Allocated Interest for such Unit, the reduced amount shall automatically be reallocated to that Unit and the remaining Units in proportion to their respective Allocated Interests immediately before the taking, with the partially acquired Unit participating in the reallocation on the basis of its reduced Allocated Interest.

12.03. Taking of a Limited Common Element. If the portion of the Condominium taken by eminent domain, or sold under threat thereof, is comprised of or includes any Limited Common Element or portion thereof, the portion of the award attributable to the Limited Common Element so taken shall be divided among the Owners of the Units to which such Limited Common Element was allocated at the time of the acquisition.

12.04. Taking of the Common Elements. If the portion of the Condominium taken by eminent domain, or sold under threat thereof, shall not be comprised of, or include, any Unit or Limited Common Element, the Board shall, as soon as practicable, cause the award to be

utilized for the purpose of repairing or restoring the portion of the Condominium so taken, and the portion of the award not used for restoration shall be divided among the Owners in proportion to their Allocated Interest in the Common Elements before the taking.

12.05. Taking of Entire Condominium. In the event the Condominium in its entirety is taken by eminent domain, or sold under threat thereof, the Condominium is terminated and the provisions of the Act apply.

12.06. Priority and Power of Attorney. Nothing contained in this Article shall entitle an Owner to priority over any Lender under a lien encumbering his Unit as to any portion of any condemnation award allocated to such Unit. Each Owner hereby appoints the Association as attorney-in-fact for the purpose of negotiations and settlement with the condemning authority for the acquisition of the Common Elements, or any part thereof. In the event the taking involves all or part of the Common Elements, the award or proceeds shall be payable to the Association for the use and benefit of the Owner and their Lenders as their interests may appear. This power-of-attorney is coupled with an interest, shall be irrevocable, and shall be binding on any heirs, personal representatives, successors or assigns of an Owner.

### ARTICLE XIII

#### RIGHTS OF LENDERS

13.01. Notices of Lenders. A Lender shall not be entitled to receive any notice which this Declaration requires the Association to deliver to Lenders for notice, approval or consent regarding a proposed action or otherwise, unless and until such Lender, or its mortgage servicing contractor, has delivered to the Association a written notice stating that such Lender is the holder of a loan encumbering a Unit within the Condominium and setting

forth the information described in Section 13.06. Notwithstanding the foregoing, if any right of a Lender under this Declaration is conditioned on a specific written request to the Association, in addition to having delivered the notice provided in this Section a Lender must also make such request in writing delivered to the Association. Except as provided in this Section, a Lender's rights pursuant to this Declaration, including, without limitation, the priority of any mortgage lien over the lien of Assessments levied by the Association hereunder shall not be affected by the failure to deliver a notice or request to the Association.

13.02. Priority of Lenders. No breach of the Restrictions herein contained, nor the enforcement of any lien provision herein, shall affect, impair, defeat or render invalid the lien or charge of any Lender made in good faith and for value encumbering any Unit, but all of said Restrictions shall be binding upon and effective against any Owner whose title to a Unit is derived through foreclosure or trustee's sale, or otherwise.

13.03. Relationship with Assessment Liens.

- (a) The lien provided for in ARTICLE VI for the payment of Assessments shall be subordinate to the lien of any Lender which was recorded prior to the date any such Assessment becomes due.
- (b) If any Unit which is subject to a monetary lien created by this Declaration is also subject to the lien of a Lender, then: (i) the foreclosure of any lien created by this Declaration shall not operate to affect or impair the lien of such Lender; and (ii) the foreclosure of the lien of a Lender or the sale under a power of sale included in a mortgage or deed of trust shall not operate to affect or impair the lien hereof, except that any Person who obtains an interest thereafter shall take title free of any lien created by this Declaration for any Assessments which became due after the recordation of the mortgage or deed of trust, or any personal obligation for such charges, but such Person shall remain subject to the lien hereof for all charges that shall accrue subsequent to such foreclosure.

- (c) Without limiting the provisions of subsection (b) of this Section, any Lender who obtains title to a Unit by reason of any foreclosure, or deed or assignment in lieu of foreclosure, or any Person who obtains title at a private or judicial foreclosure sale, shall take title to such Unit free of any lien or claim for unpaid Assessments against such Unit which accrued prior to the time such Lender or purchaser takes title to such Unit, except for liens or claims for a share of such Assessments resulting from a pro rata reallocation of such Assessments to all Units within the Condominium.
- (d) Nothing in this Section shall be construed as releasing any Person from his personal obligation to pay for any Assessments levied pursuant to this Declaration during the period such Person is an Owner.

13.04. Required Lender Approval. Except upon the prior written approval of seventy-five percent (75%) of all Lenders which have provided notice to the Association as described in Section 13.01 and Section 13.06, based on one vote for each Unit encumbered by a loan, neither the Association nor the Board shall be entitled by action or inaction to do any of the following:

- (a) Abandon or terminate by any act or omission the legal status of the Condominium, except for abandonment or termination provided by the Act and/or this Declaration in the case of substantial destruction by fire or other casualty or in the case of a taking by eminent domain; or
- (b) Except as specifically provided by this Declaration, amend any of the following provisions: insurance requirements; expansion or annexation; change of an Owner's Allocated Interest in the Common Elements; or any provision for Lenders requiring consent.

Any Lender who receives a written request to approve a change and who does not return a negative response within thirty (30) days shall be deemed to have approved such request.

13.05. Other Rights of Lenders. Any Lender (and such Lender's insurer or guarantor) shall, upon written request to the Association, be entitled:

- (a) To inspect current copies of this Declaration (and any amendments), the Association's Articles, Bylaws, Association Rules, and other books and records of the Association during normal business hours; and

- (b) To receive an annual financial statement of the Association within ninety (90) days following the end of the Association's fiscal year.

13.06. Notices of Action. Upon written request to the Association identifying the name and address of the Lender (and the name and address of the Lender's insurer or guarantor, if desired) and the Unit Number or address, any such Lender (or any such insurer or guarantor) will be entitled to timely written notice of:

- (a) Any condemnation or casualty loss which affects a material portion of the Condominium or any Unit on which there is a first lien held by such Lender;
- (b) Any delinquency in the payment of Assessments or charges owed by an Owner of a Unit subject to the lien of a Lender, which remains uncured for a period of sixty (60) days;
- (c) Any lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained by the Association; and
- (d) Any proposed action by the Owners or the Association which would amount to a material change in the Declaration as identified in Section 13.04 hereof.

#### ARTICLE XIV

##### LIMITATIONS UPON PARTITION AND SEVERANCE

14.01. No Partition. The right to partition the Condominium is hereby suspended, except that the right to partition shall revive and the Condominium may be sold as a whole when the conditions for such action set forth in the ARTICLE XI dealing with Destruction of Improvements, and ARTICLE XII dealing with Eminent Domain have been met; provided, however, nothing contained in this Section shall be construed as limiting partition by joint Owners, upon the prior written approval of an applicable Lender, of one or more Units as to individual ownership of such Units provided the Condominium is not terminated.

14.02. No Severance. The elements of a Unit and other rights appurtenant to the ownership of a Unit,

including Limited Common Elements, if any, are inseparable, and each Owner agrees that he shall not, while this Declaration is in effect, make any conveyance of less than an entire Unit and such appurtenances. Any conveyance made in contravention of this Section shall be void.

14.03. Proceeds of Partition Sale. If an action is brought for the partition of the Condominium by sale, whether upon the occurrence of an event of destruction and a decision not to reconstruct or the taking of all or a portion of the Condominium by eminent domain, Owners shall share in the proceeds of such sale in the same proportion as their Allocated Interest in the Common Elements (or as otherwise provided by the Act), but in such event, the liens and provisions of all Lenders or Assessment liens encumbering Units within the Condominium so encumbered shall extend to each applicable Owner's interest in the proceeds of such partition and sale. The interest of an Owner in such proceeds shall not be distributed to such Owner except upon the prior payment in full of any Assessment lien or lien of a Lender encumbering such proceeds.

#### ARTICLE XV

##### EXPANSION OF THE CONDOMINIUM

15.01. Reservation of Option to Expand. Declarant intends to develop the Additional Parcel on a phased basis by annexing all or part of the Additional Parcel into the Property; however, Declarant may elect not to develop or annex all or any portion of the Additional Parcel. Without the approval of the Owners or the Association or existing Lenders, Declarant shall have the right to annex all or part of the Additional Parcel by Supplemental Declaration, and Declarant hereby reserves the right, privilege, and option to expand the Property under the name of "7400 Gainey Club Drive Condominium" by adding one or more

portions of the Additional Parcel on a phased basis and related buildings and Units, together with improvements and fixtures located thereon, and easements and rights appurtenant thereto, as provided in this ARTICLE XV. However, Declarant shall be under no obligation to expand the Property and makes no assurance that the Additional Parcel will be annexed. No part of the Additional Parcel shall become subject to this Declaration unless and until a Supplemental Declaration shall have been executed and recorded in accordance with this ARTICLE XV.

15.02. Supplemental Declaration. A Supplemental Declaration shall be a written instrument in recordable form, recorded in the office of the County Recorder of Maricopa County, Arizona which annexes all or part of the Additional Parcel to the Property under this Declaration; and which incorporates by reference all of the Restrictions and other provisions of this Declaration, and which contains such other provisions as are set forth in this Declaration relating to Supplemental Declarations.

15.03. Maximum Number of Additional Units. The Declarant may elect to add sixty-nine (69), or less, additional Units to the Property so that the aggregate number of total Units in the Property shall not exceed a maximum of ninety-six (96). All additional Units shall be used exclusively for residential purposes and such additional Units may be added in one or more phases as Declarant may determine consistent with the phased development plan.

15.04. Time Limitation. Declarant shall have the right to add the sixty-nine (69), or less, additional Units to the Property by Supplemental Declaration; provided, however, the right and option of Declarant to add all or any part of the Additional Parcel and related Units to the Property shall extend only for a seven (7) year term

commencing upon the date this Declaration is originally recorded.

15.05. Reallocation Formula. The Allocated Interest of each Unit (in the Common Elements, the votes of the Association, and the Common Expenses of the Association) shall be reallocated by a complete restatement in any Supplemental Declaration setting forth such Allocated Interest for the then total number of Units and such Allocated Interest shall be based on a fraction of which the numerator is one (1) and a denominator equal to the number of Units then contained in the Property. The maximum Allocated Interest for each Unit shall be 1/27 and the minimum fractional interest shall be 1/96.

15.06. Compatible Construction. Declarant covenants that all buildings and Units added to the Property, if any, shall be comparable in architectural style and quality of construction.

15.07. Voting and Assessments. Class B voting rights for Declarant as provided by Section 5.03 shall remain effective upon the date of recordation of the Supplemental Declaration. Assessments for additional Units shall be handled in the manner prescribed in Section 5.09.

15.08. Insurance During Expansion. During construction of additional Units in any expanded phase, the Declarant must purchase (at Declarant's own expense) a liability insurance policy in an amount to cover any liability to which Owners of existing Units might be exposed.

#### ARTICLE XVI

##### CONTRACTION OF THE CONDOMINIUM

16.01. Reservation of Option to Withdraw Real Estate. Declarant intends to develop the parcel containing the original twenty-seven (27) Units in the first construction phase. Declarant may elect to change its

plans (including the layout of the Units) with respect to the subsequent phase or phases or perhaps not build all twenty-seven (27) Units presently intended to be built by Declarant. Without the approval of the Owners of the Units, the Association, or existing Lenders, Declarant shall have the right, in one or more instances, to de-annex and withdraw all or part of the Withdrawable Parcels by recording a Supplemental Declaration of Withdrawal, in which event such portion of the Withdrawable Parcels legally described in such Supplemental Declaration of Withdrawal, together with any improvements and fixtures located thereon, may be withdrawn and removed from the Parcel constituting the Condominium; provided, however, that a portion of the Withdrawable Parcels shall not be withdrawn from the Condominium after a Unit in that portion has been conveyed to a purchaser without the written consent of all Owners of Units and existing Lenders.

16.02. Supplemental Declaration. A Supplemental Declaration of Withdrawal shall be a written instrument in recordable form, recorded in the Office of the County Recorder of Maricopa County, Arizona, which de-annexes and withdraws all or a portion of the Withdrawable Parcels under this Declaration. Scottsdale, Arizona 85261

Any notice so deposited in the mail shall be deemed delivered upon the date of receipt.

17.11. Effect of Declaration. This Declaration is made for the purposes set forth in the recitals in this Declaration and Declarant makes no warranties or representations, express or implied, as to the binding effect or enforceability of all or any portion of this Declaration, or as to the compliance of any of these provisions with public laws, ordinances, regulations and the like applicable thereto. Declarant shall have no liability whatsoever if any of the provisions of this Declaration, the Bylaws or Association Rules are determined to be unenforceable in whole or in part or under certain circumstances.

17.12. Personal Covenant. To the extent the acceptance of a conveyance of a Unit creates a personal covenant between the Owner of such Unit and Declarant, other Owners or the Association, such personal covenant shall terminate and be of no further force or effect from and after the date when a Person ceases to be an Owner except to the extent this Declaration provides for personal

liability with respect to the Assessments incurred during the period a Person is an Owner.

17.13. Nonliability of Officials. To the fullest extent permitted by law, neither the Board nor any officer of the Association shall be liable to any Owner or the Association for any damage, loss, or prejudice suffered or claimed on account of any decision, approval or disapproval, course of action, act, omission, error, or negligence if such Board member or officer acted in good faith within the scope of his or their duties.

17.14. Unsegregated Real Property Taxes. Until such time as real property taxes have been segregated by the County Assessor of Maricopa County for the Units, the taxes shall be paid by the Association on behalf of the Owners. In connection with such payment, the proportionate share of such tax or installment thereof for a particular Unit shall be determined by multiplying the tax or installment in question by the respective Allocated Interest of such Unit in the Common Elements. The Association may levy a special Assessment against any Owner who fails to pay his share of any real property taxes pursuant to this Section. In the event such special Assessment is not paid within thirty (30) days of its due date, the Board may resort to all remedies of the Association for the collection thereof.

17.15. Use of Funds Collected by the Association. All funds collected by the Association, including Assessments and contributions to the Association paid by Owners, if any, shall be held by the Association in a fiduciary capacity to be expended in their entirety for non-profit purposes of the Association in managing, maintaining, caring for, and preserving the Common Elements and for other permitted purposes as set forth in this Declaration. No part of said funds shall inure to the benefit of any Owner (other than as a result of the

Association managing, maintaining, caring for, and preserving the Common Elements and other than as a result of expenditures made for other permitted purposes as set forth in this Declaration).

17.16. Notification of Sale and Transfer Fee.

Concurrently with the consummation of the sale or other transfer of any Unit, or within fourteen (14) days after the date of such transfer, the transferee shall notify the Association in writing of such transfer and shall accompany such written notice with any nonrefundable transfer fee payable pursuant to the Association Rules, to cover Association documentation and processing. The Board may establish a transfer fee, from time to time, which shall be no more than the amount of the then current regular monthly assessment. The written notice shall set forth the name of the transferee and his transferor, the street address of the Unit purchased or acquired by the transferee, the transferee's mailing address, the date of the sale or transfer, and the name and address of the transferee's Lender, if any. Prior to the receipt of such written notice, all notices required or permitted to be given by the Association to the Owner shall be deemed to be duly made or given to the transferee if duly and timely made and given to the transferee's predecessor in interest. The transfer fee shall be the personal obligation of the new Owner and shall be secured by the lien in Section 6.01 hereof. Notwithstanding the other provisions hereof, this Section shall not apply to a Lender who becomes an Owner by a foreclosure proceeding or any deed or assignment in lieu of foreclosure.

17.17. Owner Liability and Indemnification.

Each Owner shall be liable to the remaining Owners and to the Association for any damage to the Common Elements that may be sustained by reason of the negligence of that Owner or such Owner's family members, tenants, guests or invitees,

but only to the extent that any such damage is not covered by casualty insurance in favor of the Association. Each Owner, by acceptance of a deed for a Unit, agrees personally and for family members, tenants, guests and invitees to indemnify each and every other Owner, and to hold such other Owners harmless from, and to defend such Owners against, any claim of any person for personal injury or property damage occurring within the Unit of that particular Owner, including any Limited Common Elements, if any, except to the extent (a) that such injury or damage is covered by liability insurance in favor of the Association or any other Owner, or (b) the injury or damage occurred by reason of the willful or negligent act or omission of the Association or other Owner or other person temporarily visiting such Unit.

17.18. Conflicting Provisions. In the case of any conflict between this Declaration and the Bylaws, or Association Rules, this Declaration shall control.

17.19. Master Association Documents. The provisions of this Declaration are subject and subordinate to the provisions of the Master Declaration, the documents of the Master Association and the Tract Declaration. To the extent that the provisions of this Declaration are inconsistent with or in derogation of any of the provisions of the Master Declaration, the documents of the Master Association or the Tract Declaration, the provisions of such documents, articles, bylaws and rules shall control. In the event an Owner violates any of the provisions of the Master Declaration, the documents of the Master Association or the Tract Declaration and the Master Association fails to restrain or enforce the violation for an unreasonable period of time after receipt of a written request to do so by the Association, such violation may be restrained or enforced as provided in Section 17.01 above, in addition to enforcement under the Master Declaration.

## ARTICLE XVIII

## AMENDMENTS

18.01. Amendments by Declarant Prior to First Sale. Prior to the conveyance of the first Unit to an Owner other than a Declarant, this Declaration and any amendments thereto may be amended or revoked by the execution by Declarant of an instrument amending or revoking the same.

18.02. Amendments by Declarant After First Sale. Declarant (without obtaining the approval of Owners, the Association, or existing Lenders) may unilaterally amend or modify this Declaration in the exercise of its Development Rights set forth in this Declaration. Also, notwithstanding anything herein to the contrary, Declarant shall have the unilateral right (without obtaining the approval of the Owners, the Association, or existing Lenders) to amend this Declaration until the Turnover Date (as defined in Section 5.03 of the Declaration), if such amendment is required solely: (i) to comply with applicable law or to correct any error or inconsistency of the Declaration and if such amendment does not adversely affect the rights of any Owner or Lender, or (ii) to comply with the rules or guidelines, in effect from time to time, of any governmental or quasi-governmental entity or federal corporation guaranteeing or insuring mortgage loans or governing transactions involving mortgage instruments (including, without limitation, the Veterans Administration, Federal Housing Administration, Federal National Mortgage Association, Federal Home Loan Mortgage Corporation, or any similar agency). If such amendment bears recitation that it is recorded based on such technical error or the requirements of any of the foregoing agencies, such amendment shall not require approval of any Owners or Lenders.

18.03. Amendments by the Association. The Association shall have the right to amend the Declaration as provided by the Act in cases of eminent domain and to terminate this Declaration as provided by the Act.

18.04. General Amendment Requirements. Except as permitted by ARTICLE III, ARTICLE XV, Section 18.01, Section 18.02, Section 18.03, or as otherwise permitted or required by the Act, this Declaration may be amended only by vote or agreement of Owners of Units to which at least sixty-seven percent (67%) of the votes in the Association are allocated. Prior to the Turnover Date, this Declaration shall not be amended without Declarant's prior written consent.

18.05. Protection of Declarant Rights. An amendment shall not terminate or decrease any unexpired Development Right, Special Declarant Right, or period of Declarant control unless the Declarant approves or consents in writing.

18.06. Execution of Amendments. An amendment or revocation which only requires the execution of an instrument by Declarant as hereinabove provided shall be effective when executed by Declarant and when recorded in the office of the County Recorder of Maricopa County, Arizona. An amendment which requires the affirmative written assent or vote of the Owners as hereinabove provided shall be effective when executed by the President and Secretary of the Association who shall certify that the amendment has been so approved and the Declarant if the Declarant's consent is also required, and when the amendment has been recorded in the office of the County Recorder of Maricopa County, Arizona.

18.07. Lender Approval. Subject to the foregoing, any provision of this Declaration which expressly requires the approval of a specified percentage of the Lenders for action to be taken under said provision

can be amended only with the affirmative written assent or vote of not less than the same percentage of the Lenders; provided that in the event approval is requested in writing from a Lender with respect to a proposed amendment and a negative response is not returned within thirty (30) days following the Lender's receipt of the request, the Lender shall be deemed to have approved the proposed amendment.

IN WITNESS WHEREOF, Declarant has executed this Declaration as of this 3<sup>rd</sup> day of MARCH, 1992.
