

Meeting called to order at 5pm

No meeting quorum is needed as this is not a board meeting.

About 40 votes were submitted prior to the meeting and another 4 during the meeting.

The votes will be tallied by Jim Funk, he will communicate with the attorney and share the outcome with the residents.

If the vote passed, our accounts will be debited \$67,000 on July 1 and our assessments will go up to begin to pay the loan probably in August.

If the vote passed, we will schedule an additional meeting to lay out the schedule and provide a point of contact for any and all issues throughout the project.

We will also see additional bids for the paving of the road.

Meeting adjourned at 5:19 pm.
