

OASIS HOA BOARD MEETING
NOVEMBER 8, 2020

The meeting of the Oasis Board was held on Loras's patio at 4:30 p.m. on November 8, 2022. In attendance were Loras Prier, Steve Arkoff, Barbara Hodes, Frank Martin and Nancy Strong.

Items of business was discussed as follows:

1. Unit 121: Oleander tree will be replaced by landscaping. If wall does not survive tree removal a new wall will be rebuilt. Motion to approve this plan was approved unanimously.
2. Unit 108-109: Rob Evernote would like trees planted by the wall of 109. It was explained that GRCA policy prohibits planting trees that rub the stucco of the building. GRAC will plant 5 orange jubilee trees in the common area by Unit 109. Motion to approve this plan was approved unanimously.
3. Unit 102: Need to plant 3-4 pyracanthas by living room window. Motion to approve this plan was approved unanimously.
4. Mosquitoes are a problem at the pool. Discussion regarding lemon-grass spray first. If that doesn't work will try a stronger spray which may cause the pool to close for a few days. Cost is about \$40 per gallon and would require 3 gallons. Would be effective for 4-5 weeks. Motion to approve this plan was approved unanimously.

Meeting was adjourned at 5:00.
